For the correction of magnesium deficiencies in crops. KEEP OUT OF REACH OF CHILDREN. WEAR GOGGLES, GLOVES AND RESPIRATOR WHEN HANDLING. Avoid prolonged contact with skin or eyes. Safety data sheet available. IF SWALLOWED drink plenty of water and call a physician. In case of contact with eyes, immediately flush with water for 15 minutes and consult a physician. In case of contact with skin, wash affected area. PRECAUTIONS. Always read and follow labelled directions for application. Over application can result in phytotoxicity to crops. STORAGE AND DISPOSAL. Store in a cool dry facility. Do not store near feed, foodstuffs or in proximity to water bodies. If spills occur, clean up by sweeping up. Dispose of wastes at an approved waste disposal facility. Dispose of containers by thoroughly emptying powder into tank and disposing of packages in a sanitary landfill or at a waste disposal facility as recommended by state or local authorities. WARRANTY DISCLAIMER. The seller shall not be liable for special, incidental or consequential damages or for damages in the form of penalties. The seller makes no other claims to the buyer for damages arising out of misuse of the product or the failure to follow label instructions. The goods sold to you are subject only to the guarantee specified on the label. The seller makes no other claims to the buyer either expressed or implied regarding the product sold with respect to the fitness of the product for a particular purpose. Ineffectiveness or unintended consequences may result as a consequence of manner of use of the product, which is beyond the control of the seller. In no case will the seller be held liable for damages arising as a result of mishandling of the product. The buyer assumes all such risks. The user prior to application must test compatibility of the product with other chemicals and the seller does not warrant that the product is compatible with all chemicals under all conditions. Information regarding the contents and levels of metals in this product is available on the Internet at <http://regulatory-info-wt.com>.

DIRECTIONS FOR USE

Coating on Fertilizer Blends -This product may be used as a coating on all fertilizer blends (including urea or urea blends). Application rate should be decided based on consulting a professional agricultural consultant with soil, tissue tests and/or field history, or by contacting a Wolf Trax Representative toll free at 1-855-237-9653. Apply up to 1 lb of Wolf Trax Nutrient per 100 lbs of fertilizer (1 kg per 100 kg of fertilizer). Combined amounts of all Wolf Trax Nutrients added beyond 1 lb per 100 lbs of fertilizer may not adhere to the fertilizer. To apply, pour the required rate on to the fertilizer as it is being blended. Allow the product to mix thoroughly with the blend for several minutes.
